Kod EAN	8581701077505
Producent	HUDY
Kategorie produktów HUDY	Narzędzie i przyrządy

Opis produktu

HUDY Quick Camber Gauge for 1/10 electric and nitro touring cars allows you to perform quick & easy camber checks for 3 most frequently-used wheel camber angles: 1.5°, 2.0°, and 2.5°. Lightweight, compact, and easy to use. Precision machined from high-grade graphite material. Individually inspected by special inspection tool to verify the accuracy of all angles. Fine color printed for instant recognition of camber angle. Side cutouts allow clearance for wheel axles.
