LASER-ENGRAVED WITH LABEL DURABLE LIGHTWEIGHT CHAMFERED EDGES
BLACK COATED EASY STORAGE AND TRANSPORT SHOCK STAND SETS AVAILABLE SEPARATELY

#109800

Professional, ultra-compact work tray for rebuilding diff and shocks. CNC-machined from one-piece aircraft aluminum. Extremely durable and wear resistant. Black coated.

The parts tray features 4 compartments for each of the shocks laser edged with label. Perfect for 1/10, 1/12 & 1/8 on-road cars. Includes easily removable aluminum shock stand. Shock stand sets are available separately to convert between vehicle types.

Machined pockets feature super-thin walls for light weight. Stylish chamfered edges and laser-engraved HUDY graphics makes your tray stand out on your pit table.
