Producent	HUDY
Kategorie produktów HUDY	Narzędzie i przyrządy

Opis produktu

Professional, ultra-compact work tray for rebuilding diff. CNC-machined from one-piece aircraft aluminum. Extremely durable and wear resistant. Black coated.

The parts tray features 3 compartments for front, center & rear diffs, which are laser-engraved with labels for easy identification. Machined holes fold the diff outdrives.

Machined pockets feature super-thin walls for light weight. Stylish chamfered edges and laser-engraved HUDY graphics makes your tray stand out on your pit table.
