Opis produktu

Precision 4mm turnbuckle wrench designed exclusively by HUDY from special self-developed, world-reknown HUDY Spring Steel™ to ensure maximum strength, durability, and long life. This turnbuckle wrench is additionally hardened to provide unmatched life span.

- smart fork design ensures perfect fit to 4mm turnbuckles and minimizes the wear and rounding of the tool shape
- wrench head shape is hand ground on a precision grinding machine to ensure a very precise shape to a snug fit on the turnbuckle
- the fork end of the tool is additionally ground flat to keep the tool shape as thin as possible for very easy access in restricted areas
- the other end of the tool has a smartly-designed ball which makes gripping the tool very easy to use
- perfect tool for adjusting 4mm turnbuckles on 1/8 on-road and off-road cars as well 1/8 truggies and monster trucks
- laser-engraved HUDY logo and turnbuckle size for easy and quick identification
- popular turnbuckle sizes available: 3mm, 4mm, 5mm
