Opis produktu

Introducing the MC3 range of Intellect Competition LiPo's for 2024.

Once again Intellect brings us great power, a great new look and as always excellent value for money. 2024 brings a 1.5% improved production yield rate, meaning better products in the hands of the racers.

A large range of batteries for all applications, Stock and Modified with a low Centre of Gravity and a great choice to give you a perfect balance in any class.

2S BRCA/EFRA legal as of April 1st 2024. 1S From January 2024.
