Producent	XRAY Racing

Opis produktu

High-quality front foam bumper for 100g weight (#309824). The bumper is made from a harder and heavier high-density foam material, improving durability and weight balance. Foam bumper together with 100g weight (#309824) improves traction and stability in low traction conditions.

The foam bumper design works with the adjustable eccentric body posts as well as the standard fixed body posts.

Fits X4F
