XRAY 302169 Front Suspension Arm - Graphite - 1-Hole

Cena brutto	51,69 zł
Cena netto	42,03 zł
Dostępność	Dostępny
Numer katalogowy	302169
Kod producenta	302169
Kod EAN	8581703021698
Producent	XRAY Racing

Opis produktu

Molded lightweight composite front lower suspension arm, 2mm wider to better fit new suspension mounts. Fits T4'14.

The specially-formulated graphite composite material allows for a very light suspension arm that can withstand the rigors of high-performance racing. The optimized suspension arm gives improved traction, easier handling, and decreases tire overheating which leads to car stoppage under high-grip conditions. Features a single optimized shock mounting position and integrated anti-roll bar mounts. The graphite arm has same size and geometry as the standard 1-hole suspension arm.

The new arms include 4 holes to comfortable mount the optional #302190 graphite reinforcement plates.
