Kod EAN	8581703054344
Producent	XRAY Racing

Opis produktu

Optional specially-modified high-performance Kevlar®-reinforced 513mm-long, 3mm-wide front drive belt.

This belt is very thin and elastic as possible for an extremely effective transmission that dramatically reduces friction and increases performance.

To fully enjoy the benefits from these high-performance belts, be sure all transmission ball-bearings are clean and properly lubricated to reduce drag and friction.
