Dostępność	Dostępny
Numer katalogowy	362111
Kod producenta	362111
Kod EAN	8581703621119
Producent	XRAY Racing

Opis produktu

Front lower suspension arm made from super-tough composite material that is exclusively used for suspension arms, a perfect balance between reliability and performance. The suspension arm itself is rigid enough to provide a responsive feel, yet soft enough to provide extreme durability. The arms feature innovative Suspension Flex Adjustment™ (SFA). Whether racing in low- or high-traction track conditions, you can easily adjust the flex of the arms by quickly and easily adding/removing optional graphite stiffeners to change the stiffness of the suspension. The new arms include 4 holes where the optional graphite stiffeners are mounted, and the areas around the holes are strengthened for maximum durability.

Fits:

XRAY XB2'15
XRAY XB4'13
XRAY XB4'14
XRAY XB4'15
