Producent	XRAY Racing

Opis produktu

Molded composite C-hub for left steering block. Caster pre-set at 9°. Use with matching right-side C-hub #302210. The roll center position can be easily and quickly adjusted by inserting different thickness of shims on the top of the caster block between the block and the vertical ball stud. The caster blocks feature large openings for quicker & easier assembly/disassembly of the CVDs. The entire CVD assembly can be easily inserted/removed through the C-hub without the need for disassembly. The large openings also prevent collision of the CVD with the C-hub in serious crashes.

Fits:

XRAY XB2'15
XRAY XB4'13
XRAY XB4'14
XRAY XB4'15
XRAY XB4'16
