Opis produktu

Alu rear shock adapters allow to mount rear shocks lower on the suspension arm which helps to generate more rear traction especially on carpet & astro tracks.

The mounting adapters allow to place the CG lower and with two different mounting alternative allows to mount the shocks either inside or outside. The adapters feature arrows for easy identification of the mounting position.

The set includes +2mm and +4mm longer ball joints for the shock absorbers.

CNC-machined from premium & super-lightweight Swiss 7075 T6 aluminum and additionally black anodized.
