Kod producenta	365225
Kod EAN	8581703652250
Producent	XRAY Racing

Opis produktu

CNC-machined 83mm CVD drive shaft with 2.5mm pin made from world-renowned HUDY Spring Steel™. The drive shafts are some of the world's thinnest yet most durable drive shafts used in electric off-road cars.

Hardened with a proprietary hardening process, the drive shafts provide unbeatable lifespan and reliability.

The CVD assembly also features a composite safety collar that eliminates the clearance of the drive shaft and prevents the drive pin from getting loose.
