Opis produktu

XRAY 380040 M18-RTR - 4WD SHAFT DRIVE 1/18 MICRO CAR - LUXURY RTR

XRAY quality ready to run... for you

Introducing XRAY's first RTR kit.... XRAY quality, now comes built in the box!

Combining the worlds most successful micro car, the XRAY M18 with the all new XRAY premium radio system and power pack truly create a world class RTR. Assembled in the european XRAY factory, its just like you built it yourself..... or better.

The RTR package includes everything you need (except battery pack and charging cable) to get your M18 on track in a matter of minutes. The fully assembled and electronics equipped car comes with hand-painted, trimmed and decaled body. Body available in red or yellow color. Radio system is available on world friendly frequencies.
